

Fencing Federation of Denmark  
Att. Mr. Jan Sylvest Jensen, President

Dear Mr. President, dear Jan,

On behalf of the International Fencing Federation I am happy to congratulate your federation for the gold and bronze medal which your veteran fencers have obtained in the recent 16<sup>th</sup> edition of the Veterans World Championships in Krems (Austria).

If you look at the attached medal table from Krems you can see that there are besides your federation also a few other small federations who succeeded in this event besides 44 other participating nations.

This is the reason to congratulate Denmark for looking also at veterans fencing, a steadily growing and important factor in every federation.

Best regards,

Max W.F. Geuter  
Chair, FIE Veterans Council
